

## PICKUP LINES: Hilarious, Creative, Cheesy, & Downright DUMB Pickup Lines

Baby, if you were a booger I'd pick you first. Fellas, I've put together over 300 of the dumbest, sweetest, funniest, nerdiest, desperate-ist, corniest, raunchiest, and smoothest pickup lines for you to use on unsuspecting women who have no idea they've just met the most interesting man of in the world. Use them or just read them to pass the time on your iPad, tablet, or smartphone while you wait for a plane, take a tour bus trip, or sit on a toilet stool. In all seriousness, I use pickup lines to get a girl laughing. Laughter is one of the best disarming tactics a true player can use. So, whatever you do, don't be dead serious about the pickup lines you use.
