

## Rambling Round: Inside and Outside at the Same Time

Anchored in New Jersey, Buccino pays tribute to the unique Garden State Parkway toll road, but you don't have to be from NJ to enjoy this collection. The best of Buccino's humor and homage to living life every day, with tongue firmly in cheek, in the Garden State. The Pushcart-nominated author has been called New Jersey's Garrison Keillor, or something like that.
