

Another Nice Mess - The Laurel & Hardy Story

Arguably the greatest comedy duo in show business history, Stan Laurel and Oliver Hardy delighted filmgoers and theatregoers for over thirty years. The public not only found Laurels serene simpleton and Hardys pompous buffoon hilarious, but they also thought of them as friends. Laurel and Hardy may have been nitwits, but they were loveable nitwits. *Another Nice Mess: The Laurel and Hardy Story* explores the lives and careers of Laurel and Hardy. The book examines how the comedians teamed up and it explains why, nearly half a century after their deaths, their films continue to enchant people all over the world. Raymond Valinoti, Jr. is a resident of Berkeley Heights, NJ. He has a Masters in Library Science from Rutgers University and is a freelance researcher. His articles on film have been published in the magazines *Midnight Marquee* and *Films of the Golden Age*. He also writes film reviews for an online news publication, *The Alternative Press*.
