

## Time Out Madrid 9th edition

Which? Recommended Provider: Time Out Guides kicks off 2014 by being rated top guidebook brand by Which? Survey, for level of detail, photography, quality of maps, ease of finding information and value for money. Madrid emerges from several years under wraps to reveal its new facelift. Streets have been prettified, boulevards swept through and transport untangled. This in addition to its perennial attractions, whether your interests lie in spectacular opera productions or chirpy folkloric zarzuela; in cutting-edge cuisine or ancient, tiled tabernas; in designer-shoe shopping or mooching around flea markets. Put together by journalists resident in the city, the Time Out Madrid city guide also covers the artistic jewels housed in the Prado, Thyssen and Reina Sofia, as well as the etiquette of watching a bullfight or joining in with a flamenco performance, plus where to stay and how to escape the city heat.\*Sightseeing in Madrid\*Madrid hotels\*Madrid restaurants\*Madrid bars\*Madrid shops\*Madrid maps
