

Candy Crush Jelly Saga: Enhanced Sweet Edition

A new saga for the smash series of Candy Crush has officially arrived with one of the most Jellylicious players out, infamously known as the Jelly Queen. Shes got moves on an unparalleled level and its up to you to take her on through the multitude of levels that await you. The highly addictive spreadable game, Candy Crush Jelly Saga is loaded with new levels featuring new games modes, challenges and the inaugural boss battles featuring the Jelly Queen. You will play as Jenny; prove your worth and tactically swipe wherever you can to turn your candy moves into a fatal sting of triumph against the Jelly Queen. Each move you make will spread the jelly and the more moves you can pull off, the better. Whoever reaches the end of the unspreadable level wins. There will be an array of new candy jellies, an awesome booster as well as a new location in the midst of a treetop within the much loved Candy Land. Always remember, the more the merrier, so get your friends on this saga pronto and see who can end up with the highest score! Candy Crush Jelly Saga features: More than a 100 CANDY JELLY Levels Head to head battles known as Boss Mode New arcade game modes: Spread the Jelly & Release the Pufflers The Colour Bomb Lollipop Booster Delectable new treats

A new adventurous world lead by the Jelly Queen and her quirky sidekicks User friendly interface yet bound to keep you puzzled Connect to its Facebook to expand your competition Sync game across all platforms and connect to the Internet for all game modes DISCLAIMER: *This is a comprehensive guide that will have you annihilating the game in no time*
