

Eminent Doctors, Vol. 1 of 2: Their Lives and Their Work (Classic Reprint)

Excerpt from Eminent Doctors, Vol. 1 of 2: Their Lives and Their Work
Medical Biography has not taken its due place in the thoughts of our countrymen, nor has it received deserved attention from literary men. Anecdotes of big fees, brilliant operations, brusque actions, or suave politeness, have too exclusively contributed to form the popular idea of eminent physicians and surgeons. Aikins incomplete Biographical Memoirs of Medicine, Macmichaels Lives of British Physicians, and Pettigrews Medical Portrait Gallery, have been the chief collective records of British medical men; and the latter, owing to its expensive form, was inaccessible to most persons. Munks Roll of the College of Physicians is a mine of information about members of that College, and a similar record of members of the College of Surgeons would be invaluable. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
