

# How Your Surgeon Feels: Lifetime Essays In The Art and Science Of Surgery

In the vast array and vitriol of our National Health debate , the doctors voice , especially that of the surgeon , is rarely solicited , and seldom heard . It is mostly the clamor of patients you hear or the rancor of politicians . This compendium of lifetime essays will retribute an imbalance that is long overdue . The collection speaks to how a practicing surgeon really feels about the vital medical issues of our day , and what needs to be done to improve his lifes work and his dedicated care for his patients . American medicine is at a desperate crossroads where the qualitative health of ourselves and our beloved country have arrived at critical mass . Herewith a rare insiders insights , with unadulterated answers . .....
