

Within the Dragons Lair: A Doctors Drug War Memoir

The Drug War: Americas longest and costliest. One doctors must-read true story. Within The Dragons Lair is an up-close and personal perspective on the Drug War. The story is told with grace and dignity, in a voice that is at once uniquely southern yet uniquely American. Personal and familial information is interwoven in this work, and provides a unique context that enhances interest and readability. With this book Dr. Guthrie joins a long procession of distinguished physician/writers from William Carlos Williams to Ferrol Sams. This is a thought-provoking book that may touch you in ways that few have.
