

First Well Kill My Husband (Pinnacle True Crime)

A Murdered Husband. . . Gulf War veteran Doug Gissendaner would do anything for a friend, a stranger, or the wife who broke every rule in the marriage book. Now, investigators were scouring the Georgia woods not far from Dougs home. Theyd already found the charred wreckage of his car. They knew they were looking for a body. . . A Hitman Who Killed For Love. . . Gregory Owen had been having an on-again, off-again affair with Dougs wife for years. Then Kelly Gissendaner told Greg it was time for her husband to die. With a knife and a plan, Greg forced Doug to drive into the woods. When Greg finished his savage, cold-blooded deed, Kelly showed up to make sure Doug was dead. A Woman On Death Row. . . This is the astounding true story of the only woman on Georgias Death Row and the chilling, account of how she got there. From the hold Kelly had over a good and decent man to her dramatic, controversial trial, First Well Kill My Husband captures the lies, schemes, and manipulations of a woman totally bent on murder. . . Includes 16 pages of shocking photos! Lyn Riddle is a freelance writer and journalist whose work regularly appears in The New York Times, the Los Angeles Times, and The Atlanta Constitution.
