

Boyfriends Weve All Had (and Shouldnt Have)

In *Boyfriends Weve All Had (and Shouldnt Have)* Mandy Nolan turns her acerbic wit onto boyfriends past ... and no one escapes her observations. From the needy besotted drip to the brooding unavailable bad boy, from Mr New Age to Mr Moody, Mandy has seen them all come and go in her quest for Mr Right. This is a hilarious and revealing look at the emotional, pot-boiling mess and angst of romantic relationships. Its wicked. Sometimes touching. But always funny. And did we mention wicked?
