

Erasing Autism:: The Spectrum Balance Protocol

At last! The long awaited how to book explaining The Spectrum Balance Protocol; the diet that has been used so effectively on Autism and many other ASDs since 2005. Available free of charge from The NoHarm Foundation since 2009, this Protocol has been downloaded by families over 10,000 times and in over 70 countries. This is the whole picture. In an easy to understand fashion, this book will explain the science behind what causes many ASDs, how to execute the diet most effectively, the foods used in the diet itself, and 26 true case studies written in a realistic and compelling style that will both enlighten and entertain. Truly, only truth is stranger than fiction!
