

## Mirrored Images & Other Reflections

Mirrored Images can save your life when you're struck from behind by a vicious Irony out for blood. Learn the tricks of survival in a world gone gonzo with catches and pitfalls and the occasional embarrassing scene that you cannot avoid. TG Browning relates how he's survived getting his pickup sideswiped by a dock, how to survive in the wilds with nothing more than a poncho, a ground cloth, six stakes, string, a cell-phone and a handy pickup nearby containing dinner leftovers and RC cola. Visit little known hideaways in Oregon like the Butterfly Meadow of Last Resort and Flora, Oregon. Learn the secret to never having to listen to telephone sales people. Included: Mirrored Images - Why horror movies and dentists prove that pain and fear are still good ways to learn. Louisiana Blues - Why the blues are never too late to learn. What's Wrong With This Picture - The difference between Britain in June, Oregon in Winter. Cleveland Or Bust - Adaptive traveling with a stop-over in Cleveland. Kiss Of Death - How one family almost killed the restaurant industry in Salem, Oregon Shop A La Carte - HG TV rides again and the study of moss and fungi. Sludge - The situation, a car that won't run. The killer, a cruel owner. The solution, a sludgectomy. Pyrex Ceiling - How not to get into medical school. I Can See Clearly Now - Poor eyesight runs - well, gallops - in the family. Sucker - There are born suckers and then there are cats and the two meet head on in our garage. Slip-Sliding Away - Transuniverse slippage and your mileage will probably not include intelligent fungi. Mine didn't. Small Town Fun - Tourist baiting and fireworks in the fog. Vicious Circle - New and exciting training methods for lifeguards. On a Row, In Phoenix - Do-gooders do too much good. New England Potlatch - Having a will is only fun if you get to watch. Lakeside on My Mind - My discovery of an abandoned

town in the Oregon Range. The Techo-REI Spiral - Ultra-light backpacking goes hi-tech with a sales spiral thrown in. Safe Places - The safest places are undisturbed. Which is why you cant find them a second time. A total of 46 essays on modern irony survival.
