

Murder in Siberia

A famous scientist is found dead in a Siberian outpost. He was shot in the back of the head with a shotgun and no bullet was found. It was supposedly a suicide and the only other person in the outpost had a air-tight alibi. How was the scientist killed? Join intelligent detective Joseph Raudan and his trusty companion Alfred Collins as they try to uncover this mysterious death. Test your skills against the pros and try to figure out who killed the scientist, Boris Nyeovski. Get ready for the Murder in Siberia...
