

Going Rogue With Sarah

Hilarious! Teenagers Barry and Sarah duke it out over the issues. This bi-partisan romp takes a shot at both candidates as they prepare for 2012. Competitors, companions, philosophers and soothsayers, a satire of what should be and could be and is. Take a break from real life, kick up the endorphins and have a good laugh, See how Barry uses his Nobel Prize to save humanity and Sarah shores up the falling dollar and annexes the world. If you aren't laughing after the first pages, you can always recycle this fools errand in Sarah's outhouse next to the constitution and the Moose News.
