

The Queens of Comedy: Amy Schumer, Tina Fey, Amy Poehler, and Chelsea Handler

They've been called the most innovative and irreverent performers of their time. But Amy Schumer, Tina Fey, Chelsea Handler, and Amy Poehler are much more than a gang of girls who know how to tell jokes. They are also comedy pioneers blazing trails alongside (and ahead of) most of their legendary peers in a male-dominated business. In a short time, these fearless females on the front lines of comedy have inspired millions of people with their unflinchingly honest perspectives -- a contribution that has empowered the masses with a greater sense of self-worth. Plus, they're funny as hell. Now, for the first time ever, the four most popular works of bestselling author and celebrity biographer Ian Fineman, are available in one must-read work of biographical genius. Featuring in their entirety *The Tina Fey Way*, *The Smartest Sh*t Amy Poehler Has Ever Said*, *Chelsea Handler: The Unauthorized Biography*, and *Inside The Real Amy Schumer*, Fineman's latest work -- *The Queens of Comedy* -- is a must-read for fans of the funniest women in show business today. Listen, learn, and laugh your way through this bundled masterpiece in Fineman's bold and brisk biography series.
