

The Web Giants: Culture - Practices - Architecture

In the US and elsewhere around the world, people are reinventing the way IT is done. These revolutionaries most famously include Amazon, Facebook, Google, Netflix, and LinkedIn. We call them the Web Giants. This new generation has freed itself from tenets of the past to provide a different approach and radically efficient solutions to old IT problems. Now that these pioneers have shown us the way, we cannot simply maintain the status quo. The Web Giant way of working combines firepower, efficiency, responsiveness, and a capacity for innovation that our competitors will go after if we don't first
